

# FREE TRAVELING WITHOUT BEING HASSLED FILE

Jahuwah (the Creator of all that is and the giver of life) by way of revelation gave me a plan on how to travel without this world's government issued papers and without being hassled. I worked the plan and it has been proven true that it came from Jahuwah based on the results:

- I have walked away from five contacts with law enforcement not directly involving traffic that could have involved traffic without incident.
- I have driven away from four traffic stops without a ticket or any other inconvenience.
- I have been able to rent cars without government issued ID.
- I have been able to bail people out of jail without government issued ID.
- I have boarded commercial flights without government issued ID.
- I have cashed checks without state issued ID repeatedly at numerous banks (but not all ☺).
- I have driven from literally one end of the United States to the other; both East to West and North to South without state issued plates without incident.
- I have had more than twenty cops (I quit counting at twenty.) sitting directly behind me at traffic lights, while my vehicle did not have state issue plates affixed to it, without incident.
- I retrieved one of my vehicles, that was not involved in a traffic incident, from an impound yard when it did not have state plates affixed to it. (It was at a mechanic's when he was evicted.)
- I have had one deputy sheriff admit to me that they had noticed my plate, had wondered about it, but they had determined that they were taking no action on it.
- Saying it another way; I have been out of the state's driving scheme for going on six years now and have suffered no adverse effects from having done so. I have discovered a whole another world exists that is free from this world's oppressive schemes and I am inviting you to come to live here with me.

In this free file are some of the lessons I was shown that are part of the plan I was given. Proverbs 23:23 tells me to buy the truth, and sell it not. Since I believe that what is contained in this file is the truth, I cannot sell it to you. I believe that if you utilize the principles set forth in this file, that you will also be enabled to travel without being hassled. I expect that this will prove to be true for you as well.

The results you obtain from use of these materials will tell whether you have put Jahuwah's Word first in your life. See Proverbs 24:12, "If you say, "Surely we did not know this," Does not He who weighs the hearts consider it? He who keeps your soul, does He not know it? And will He not render to each man according to his deeds?"
